

Accessing the Report Card through the Parent/Student Portal

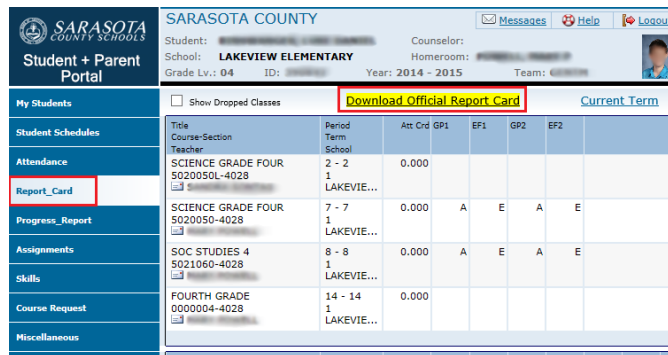

Parent/Student enters the portal through the log-in page. <https://parentportal.sarasotacountyschools.net>

Upon log-in, the desired student is selected if the parent has multiple students in Sarasota County Schools.

Once on selected student, the Report Card menu item is clicked on from the menu on the left hand side of the screen.

On the Report Card screen, in the top center portion of the screen the Parent/Student will see **Download Official Report Card**. By clicking on that link, the PDF file of the Report Card will open in a separate window. The Parent can then choose to print and/or save the Report Card if they so choose to do so.
